## Become a Mentor

We invite you to join us as a Mentor in the Women in Business Mentorship Academy. Mentors play a critical role in the program, providing mentees with guidance, motivation, and encouragement on their professional and personal journeys.

*"As a mentor, I love being a brain to pick, an ear to listen, and a positive influence while providing advice, support and confidence that empowers women to grow. My mentees have become friends, colleagues, and inspiration to better myself. A program where you get sometimes more than you give is a rarity and I am honored to continue participating in the Mentorship Academy."*

*-Fabiana DesRosiers, Ph.D.,  
CEO, Hispanic Human Resources Council*
